

CNSF

The Hicksville/Jericho Rotary Club and Critical Needs Support Foundation, Inc. will be collecting childrens shoes for displaced children of Iraq.

Please bring all donations to the Hicksville Public Library located at 169 Jerusalem Avenue in Hicksville by April 22, 2018.

All shoes must be new or gently used.

Unfortunately, we do not have the ability to wash or fix items in our storage unit so this is really important.

We are extremely grateful for your attention to this detail.

Please contact ed@thecnsf.com if you have any questions about donations.
